

UDAYANA UNIVERSITY
Course Syllabus
GLOBAL MARKETING
(Code: BIP1019)

5 ECTS

Course Description

The course provides an overview of the unique aspects of marketing in the international business environment as well as the framework upon which multinational marketing management can be based on. The emphasis will be placed on the role of the international marketing manager in the development of marketing strategies for a variety of markets in diverse cultural, political and economic situations. The course also focuses on the decision making processes in the areas of foreign market analysis, target identification, product planning and promotion, and global supply chains.

Objectives

By the end of the learning process students should:

1. have an appreciation of the meaning and the role of global marketing.
2. have an understanding of the basics of strategic planning and the global marketing process.
3. have an understanding of the five essential elements of global marketing as a philosophy of consumer-orientation.
4. be able to describe the environments in which companies operate, and show the influence of external forces on global marketing decisions.
5. be able to explain market segmentation, targeting, and positioning.
6. have an understanding how products are designed, named, packaged, and formed into product lines.
7. be able to state factors that affect pricing and comparing general pricing approaches.
8. be able to explain a general outline of the key concepts of distribution channels and physical distribution.
9. be able to explain communication and promotion strategy.
10. be able to show different approaches that companies can take to a market in order to serve consumers' and the companies' needs

Teaching Method

The course will consist of lectures, classroom assignments and discussions, case studies, a special topic presentation and home work.

Students are expected to finish all the reading assignments before class. All assignments are to be handed in as hard copies.

Course content will come from a variety of sources: reading assignments, short written assignments, and handout materials.

Assessment Methods

Assignments and discussion 30%

Middle Semester Test 30%

Final Semester Test 40%

Classroom participation will also affect the grade.
