INTERNATIONAL BUSINESS LAW

WIP10B05
International Program
INTERNATIONAL BUSINESS LAW

COURSE DESCRIPTION
This course covers some concepts related to business law. The course begins with introducing the origin of law, which constitutes the basic foundation for the rest of the course. This course focuses on understanding some concepts of international business law such as high institutions of the state, legal system, contract law, security law, bankruptcy, legal term etc. It does not only focus on understanding but also on explaining and describing the concepts. The course includes case studies to ensure that the students understand the topics discussed.

OBJECTIVES
By the end of this course, students should be able:

- To understand the legal education in Indonesia
- To understand the high institutions of the state
- To explain what the legal system is
- To understand and explain contract law
- To explain security law and bankruptcy
- To explain legal term especially in the case of criminal and process law
- To explain legislative drafting, legal opinion and legal audit

LECTURING METHOD
The course uses some lecturing methods such as lecturing, discussion, presentation and assignment method. In lecturing, the lecturer will give the topics related to the course. Interesting topics will be discussed together by the students. Some topics given to students should be presented in front of the class.

ASSESSMENT METHOD
Class attendance 10 %,
Class participation and assignments 30 %,
Mid-term exam 30 %,
Final exam 30 %
